

Nurse Practitioner Associates
for Continuing Education

Since 1980

2024 EVENTS

Hi! We're NPACE.

As an ANCC accredited provider and national 501(c)(3) nonprofit organization, NPACE is a recognized leader in continuing education. In a rapidly changing healthcare environment, NPACE promotes excellence in patient care by providing high quality, evidence-based educational programs to nurse practitioners and other advanced practice clinicians.

We make earning CE easy.

Virtual

Elevate your skills and knowledge with a live conference from the comfort of your own space.

- ✓ Full-day learning
- ✓ Live Q&A
- ✓ Relevant topics
- ✓ Expert speakers
- ✓ On-demand access

Live

When you sign up for an in-person conference, you're getting the ultimate learning experience and then some.

- ✓ Relevant topics
- ✓ Expert speakers
- ✓ Exciting destinations
- ✓ Wellness programs
- ✓ Coffee & lunch daily
- ✓ On-site tech support

On-Demand

NPs can learn no matter where they are in their career - or in the world.

- ✓ 150+ courses
- ✓ Course bundles
- ✓ Webinars
- ✓ Free NP resources
- ✓ Relevant topics
- ✓ Expert speakers
- ✓ On-demand access

Accreditation

NPACE is an accredited provider of nursing continuing professional development by the American Nurse Credentialing Center's (ANCC) Commission on Accreditation.

Accommodations

Room blocks and discounted rates are available at each conference location. Stay 3 nights at the NPACE conference hotel and save up to \$150 on your conference registration fees *Attendees must enter their registration confirmation number to receive special conference hotel pricing.*

Access & Technology

With a convenient mobile conference app and on-site tech support, you'll have everything you need to have a seamless and productive learning experience. Plus, you'll have access to session recordings for 90 days.

CE Information

Each conference and on-demand program contains different amounts of CE credits. To view detailed credit information, please visit npace.org for conferences or learn.npace.org for on-demand programs. To provide as many credits as possible, live conferences will include a select amount of credits that will be earned exclusively through on-demand programming.

Whether you choose in-person, virtual, or on-demand learning, you'll be immersed in the most relevant topics for today's NPs.

- Acute Care
- Anxiety/Depression
- Cardiology
- Dermatology
- Infectious Diseases
- Orthopedics
- Pediatrics
- Pharmacology
- Radiology
